

“Work @ Home RockStar” INTERVIEW NOTES/FLOW

Thanks for being a guest on an upcoming show - here are some helpful notes!

- Interviews are audio-only (no video) and my preference is to connect first through Skype and then record the interview via Zencaster. Please add me on Skype (my username is “melaner”). If Skype isn’t an option for you, please let me know in advance and I’ll do my best to accommodate you ... I can be reached at tim @workathomerockstar.com.
- Please be prepared for the Skype call at the agreed upon time. There will be a quick chat to answer any questions that you may have and to ensure all audio is working before we start recording 😊
- Please be prepared for 1 hour for the interview however, each show last about 30 minutes. The format is fun, informal and candid!
- You’ll be notified before your show airs (which happens about 4 weeks after it’s recorded), and will be supplied with links to share with your social networks.
- **Legal stuff:** By participating in the Work @ Home RockStar interview, you agree to allow Work @ Home RockStar to record, distribute, and disseminate the podcast in any manner. You also agree to allow Work @ Home RockStar to retain rights to the produced media for potential future use in speeches, books, and in all other public distribution.

AT THE BEGINNING OF THE SHOW

BONUS REQUEST

I would like to put a special episode where my guests ask me questions.

You may know that my business is helping people set up websites that are focused on content marketing. Is there a question, either technical or strategy that you have about your website?

I will answer the question on the air. 😊
